SECURITIES AND EXCHANGE COMMISSION
[Release No. 34-74634; File No. SR-CME-2015-004]

Self-Regulatory Organizations; Chicago Mercantile Exchange Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Rulebook Provisions Establishing Decision-Making and Emergency Authority over Clearing House Matters
April 2, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act” or “Exchange Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 30, 2015, Chicago Mercantile Exchange Inc. (“CME”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III, below, which Items have been prepared primarily by CME. CME filed the proposal pursuant to Section 19(b)(3)(A)(ii)³ of the Act, and Rule 19b-4(f)(4)(ii)⁴ thereunder, so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

CME is filing a proposed rule change that is limited to its business as a derivatives clearing organization. More specifically, the proposed rule change would make amendments to rulebook provisions establishing decision-making and emergency authority over clearing house matters.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b-4(f)(4)(ii).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CME included statements concerning the purpose and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CME has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

CME is registered as a derivatives clearing organization with the Commodity Futures Trading Commission ("CFTC") and currently offers clearing services for many different futures and swaps products. With this filing, CME proposes to make rulebook changes that are limited to its business clearing futures and swaps under the exclusive jurisdiction of the CFTC. More specifically, the proposed rule change would make amendments to rulebook provisions establishing decision-making and emergency authority over clearing house matters.

The proposed rule change relates to recent management structure and reporting line changes at CME. Current CME rules do not include any reference to or establishment of authority in the newly created role of President of Global Operations, Technology & Risk ("President GOTR"). The proposed rule change referenced in this submission is designed to ensure the President GOTR is authorized to undertake certain actions related to clearing house operations and emergency financial conditions. In light of the Chief Operating Officer's ("COO") newly established reporting line to the President GOTR, authority regarding certain clearing house matters and emergency financial conditions will be conferred from the COO to

the President GOTR with these changes. The proposed rule revisions are designed to clearly specify the roles and responsibilities of management during extraordinary circumstances that impact the clearing house.

The proposed rule change adds references to or establishes authority for the President GOTR in the following CME rules: Rule 257 (Exchange Physical Emergencies); Rule 403 (Clearing House Risk Committee); Rule 701 (Declarations of Force Majeure); Rule 744 (Failsafe Currency Availability Procedures for Physical Delivery); Rule 812 (Final Settlement Price); Rule 824 (Additional Performance Bond); Rule 8G25 (IRS Default Management Committee); Rule 8G824 (Additional IRS Performance Bond); Rule 8G975 (IRS Emergency Financial Conditions); Rule 8H26 (CDS Default Management Committee); Rule 8H27 (CDS Risk Committee); Rule 8H824 (Additional CDS Performance Bond); Rule 8H975 (CDS Emergency Financial Conditions); Rule 974 (Suspension of Member Firm Privileges); Rule 975 (Emergency Financial Conditions); Rule 976 (Suspension of Clearing Members); Rule 978 (Open Trades of Suspended Clearing Members); and Rule 979 (Suspended or Expelled Clearing Members).

The proposed rule change that is described in this filing is limited to its business as a derivatives clearing organization clearing products under the exclusive jurisdiction of the CFTC. CME has not cleared security based swaps and does not plan to and therefore the proposed rule change does not impact CME's security-based swap clearing business in any way. The proposed rule change would become effective immediately. CME notes that it has also submitted the proposed rule change that is the subject of this filing to its primary regulator, the CFTC, in CME Submission 15-047.

CME believes the proposed rule change is consistent with the requirements of the Exchange Act including Section 17A of the Exchange Act.⁵ The proposed rule revisions are designed to clearly specify the roles and responsibilities of management during extraordinary circumstances that impact the clearing house. The changes would help ensure that all appropriate officers of CME have the ability to exercise decision-making and emergency authority in relation to matters impacting the clearing house, thereby enhancing the overall safety of the clearing house and the efficiency with which such actions may be taken. As such, the proposed rule change should be seen to be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivatives agreements, contracts, and transactions, to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible, and, in general, to protect investors and the public interest consistent with Section 17A(b)(3)(F) of the Exchange Act.⁶

Furthermore, the proposed rule change is limited to CME's futures and swaps clearing businesses, which mean they are limited in their effect to products that are under the exclusive jurisdiction of the CFTC. As such, the changes are limited to CME's activities as a DCO clearing futures that are not security futures and swaps that are not security-based swaps. CME notes that the policies of the CFTC with respect to administering the Commodity Exchange Act are comparable to a number of the policies underlying the Exchange Act, such as promoting market transparency for over-the-counter derivatives markets, promoting the prompt and accurate clearance of transactions and protecting investors and the public interest.

⁵ 15 U.S.C. 78q-1.

⁶ 15 U.S.C. 78q-1(b)(3)(F).

Because the proposed rule change is limited in its effect to CME's futures and swaps clearing businesses, the changes are properly classified as effecting a change in an existing service of CME that:

- (a) primarily affects the clearing operations of CME with respect to products that are not securities, including futures that are not security futures, swaps that are not security-based swaps or mixed swaps; and forwards that are not security forwards; and
- (b) does not significantly affect any securities clearing operations of CME or any rights or obligations of CME with respect to securities clearing or persons using such securities-clearing service.

As such, the changes are therefore consistent with the requirements of Section 17A of the Exchange Act⁷ and are properly filed under Section 19(b)(3)(A)⁸ and Rule 19b-4(f)(4)(ii)⁹ thereunder.

B. Self-Regulatory Organization's Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact, or impose any burden, on competition. The proposed rule revisions simply specify the roles and responsibilities of management during extraordinary circumstances that impact the clearing house. Further, the changes are limited to CME's futures and swaps clearing businesses and, as such, do not affect the security-based swap clearing activities of CME in any way and therefore do not impose any burden on competition that is inappropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

CME has not solicited, and does not intend to solicit, comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)¹⁰ of the Act and Rule 19b-4(f)(4)(ii)¹¹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>), or
- Send an e-mail to rule-comments@sec.gov. Please include File No. SR-CME-2015-004 on the subject line.
